Dear Supporters,

Thank you very much indeed for your gifts to the children at the RVI, and for your help in raising a further £1000 for the North of England Children's Cancer Research Fund. We really appreciate your generosity and support.

The money will go directly towards supporting the important research work being undertaken in Newcastle into the causes, prevention and treatment of cancer in children. Whilst good progress is being made, we need to continue with this work until a cure is found for all children affected by this disease and we rely on generous donations, such as this one, to enable us to do this.

Yours sincerely,

**Janet Price**
